Homework Central Fingerprint Consent Form

Because you will be working directly with children, California law requires that Homework Central fingerprint and run a criminal background check on all new hires and volunteers.

We receive criminal history information from the State of California Department of Justice Bureau of Criminal Identification and Information (“DOJ”) via the Live Scan fingerprint process.

By signing below you consent to being fingerprinted and allowing your fingerprints to be provided to the DOJ in connection with your employment or volunteer application.

All fingerprint related information provided to Homework Central will be kept strictly confidential and can only be accessed by a Homework Central Custodian of Records registered with the State of California.

I, _____, have read, understand, and agree to the above, and hereby consent to give my fingerprints for the purpose of conducting a criminal background check on me by the DOJ.
